Taurus 2 **MED**

TRANSPORT STAND

Transport adapter was developed by our company to enable easy transport of the beds. This special system makes bed transporting safe and comfortable. It also make it easier to place beds into rooms where they are dedicated and fold them when they are temporarily not used.

BED ENDS

Bed end made of easy to disinfect CDF Swiss Board

Max. working load

REMOTE CONTROL

Its ergonomic shape provides comfortable one-hand usage and fast access to all bed functions. It is also possible to block individual functions.
