TAURUS 2 low lux

REMOTE CONTROL

Its ergonomic shape provides comfortable one-hand usage and fast access to all bed functions. It is also possible to block individual functions.

TRANSPORT STAND

Transport adapter was developed by our company to enable easy transport of the beds. This special system makes bed transporting safe and comfortable. It also make it easier to place beds into rooms where they are dedicated and fold them when they are temporarily not used.

Max. working load

SIDE RAILS

Full length side rails are standard equipment of bed. They provide protection up to 370 mm above the mattress platform. When necessary it is possibility to increase the height with usage of additional side rails height extension.
